Spotlight sessions

22 April

Opening session

Miranda Olff, Jinhee Hyun, NCMH President — *Welcome to the 2nd GCTS Conference*

Gmi — *Cultural Performance: Gayageum "Gmi" - Korean traditional music.*

23 April

Team "Y-UNIT" K-Pop Performance — *K-Pop dance performance*

Panel, **Stéfanie Fréel - GCTS Steering committee** — *Where is GCTS going? Plenary discussion*

Keynotes

22 April

Keynote 1, **Bita Ghafoori** — *Scaling Up Evidence Based Therapies for PTSD: Experiences with Narrative Exposure Therapy* (California State University Long Beach, Long Beach, USA)

Keynote 2, **Duane D. Booyesen** — *From Specialist to Community Delivery: Implementing Exposure Therapy for PTSD in Low-Resource Settings Through Implementation Science, Task-Sharing and Local Capacity Building* (Rhodes University, Makhanda, South Africa)

23 April

Keynote 3, **Jeong-Ho Chae** — *Resilience in the Aftermath: The Evolution of Korea's Trauma Resilience Post-Sewol Ferry Tragedy* (The Catholic University of Korea, Seoul St. Mary's Hospital, Seoul, South Korea)

Keynote 4, **Sonya Norman** — *A Research Agenda for Moral Injury: Global Perspectives and Collaborations* (University of California, San Diego, USA)

24 April

Keynote 5, **Min-young Shim** — *Establishment and Expansion of the National Trauma Center after the Sewol Ferry Disaster: Present and Future* (Former Director of National Trauma Center, South Korea)

Keynote 6, **Jin-Oh Bok** — *How the Sole Recorder on the Barge Remembers the Sewol Ferry Disaster* (Director of the documentary film "Logbook", South Korea)

Workshops

22 April

Two days' Workshop (21-22 April, Invitation Only), **Debra Kaysen** — *Workshop CPT - By invitation only* (Department of Psychiatry and Behavioral Sciences at Stanford University, Palo Alto, USA)

Workshop 1, **Emmanuelle Verkest, Coralie Creupelandt & Stéfanie Fréel** — *Participatory Research & Experiential Knowledge Workshop* (Emmanuelle Verkest and Coralie Creupelandt: Centre national de ressources et de résilience (Cn2r), Lille, France and Université de Lille, Inserm, CHU Lille, U1172 - LilNCog - Lille Neuroscience & Cognition, Lille, France; Stéfanie Fréel: Amsterdam University Medical Center, Amsterdam, The Netherlands., Lille and Amsterdam, France and The Netherlands)

Workshop 2, **Jeanet F. Karchoud** — *Workplace Trauma - Interactive session* (Amsterdam UMC, Department of Public and Occupational Health, Amsterdam, The Netherlands)

Workshop 3, **Christine Gibson** — *Somatic Strategies for Self-Regulation: What the Body Knows about Trauma* (Departments of Family Medicine and Psychiatry, University of Calgary, Calgary, Canada)

23 April

All day workshop, **Bitá Ghafoori** — *Workshop Narrative Exposure Therapy* (California State University Long Beach, Long Beach, USA)

Workshop 4, **Marjolein van Duijl** — *Diagnosis and management of spirit-possession, culture, psychosis or trauma related dissociation?* (Independent Consultant, Amulet Mental Health and Consultancy, Apeldoorn, Netherlands)

Workshop 5, **Wendy Weijts & Gea Dunnik** — *Online Psychosocial Support Network for People in Conflict and Disaster Areas* (NGO World Psychologists Amsterdam, The Netherlands)

24 April

Workshop 6a, **Timo van der Kuil** — *AI-Assisted Evidence Synthesis for Global Traumatic Stress Research: A Workshop on ASReview 2 part 1* (Utrecht University, Utrecht, The Netherlands)

Workshop 6b, **Timo van der Kuil** — *AI-Assisted Evidence Synthesis for Global Traumatic Stress Research: A Workshop on ASReview 2 part 2* (Utrecht University, Utrecht, The Netherlands)

Symposia

22 April

Symposium 1, Cherie Armour — Invisible Wounds and Hidden Strengths: Suicidality, PTSD, and Resilience in Military Veterans (Queen's University Belfast, Belfast, Northern Ireland)

Symposium 1.1, **Cherie Armour** — *A meta-analytic study of suicidality and determinants in military veterans* (Queen's University Belfast, Belfast, Northern Ireland)

Symposium 1.2, **Dominic Murphy** — *Exploring strategies to build resilience after exposure to trauma: lessons learnt from military populations.* (Combat Stress, King's College London & the ESTSS, London, United Kingdom)

Symposium 1.3, **Donncha Hanna** — *Suicidal ideation, plans and attempts in Northern Irish military veterans* (Queens University Belfast, Belfast, Northern Ireland)

Symposium 1.4, **Cherie Armour** — *Understanding Suicidality Among UK Veterans in Northern Ireland: An Interpretative Phenomenological Analysis* (Queen's University Belfast, Belfast, Northern Ireland)

Symposium 2, Demi Havermans — Latest Scientific Advances in Assessment and Treatment of PTSD in Older Adults (tanteLouise & Maastricht University, Bergen op Zoom & Maastricht, Netherlands)

Symposium 2.1, **Demi Havermans** — *Assessment of PTSD in older adults and those with dementia* (tanteLouise & Maastricht University, Bergen op Zoom & Maastricht, Netherlands)

Symposium 2.2, **Margherita Boltri** — *Biomarkers of Accelerated Ageing in PTSD: A Systematic Review and Meta-Analysis of Longitudinal Studies* (I.R.C.C.S. Istituto Auxologico Italiano; Univerisità Cattolica del Sacro Cuore Milano; Sigmund Freud University of Milan, Milan, Italy)

Symposium 2.3, **Joan M. Cook** — *Treatment of PTSD in Older Adults* (Yale School of Medicine, New Haven, USA)

Symposium 10, Larysa Zasiiekina — Continuous Traumatic Stress in Contexts of Mass Violence (University of Exeter, Exeter, United Kingdom)

Symposium 10.1, **Alberta S. J. van der Watt** — *Continuous traumatic stress and its associated factors among adolescents living in conditions of mass violence in South Africa* (Department of Psychiatry, Faculty of Medicine and Health Sciences, Stellenbosch University, Cape Town, South Africa)

Symposium 10.2, **Cherie Armour** — *Predictors of PTSD Symptoms Among Ukrainian Refugees: The Role of War Exposure, Discrimination, and Social Support* (Queen's University Belfast, Belfast, Northern Ireland)

Symposium 10.3, **Jana D. Javakhishvili** — *Mental Health Interventions During Continuous Traumatic Stress: Responding to Ongoing Mass Violence and Political Oppression* (Ilia State University, Tbilisi, Georgia)

Symposium 10.4, **Larysa Zasiékina** — *Past Atrocity in a Present War: How Genocidal Trauma and Continuous Traumatic Stress Shape Mental Health in Ukraine* (University of Exeter, Exeter, United Kingdom)

Symposium 10 disc, **Soraya Seedat** — *Discussant* (Department of Psychiatry, Faculty of Medicine and Health Sciences, Stellenbosch University, Cape Town, South Africa)

Symposium 12, Monique Pfaltz — Understanding Childhood Trauma Across Cultures: Perception, Impact, and Pathways to Intervention (Mid Sweden University, Östersund, Sweden)

Symposium 12.1, **Yeukai Chideya** — *A Comparison of Caregivers and Children’s Perception of a Traumatic Intentional Injury Event In a Low-Resource Setting in South Africa* (Stellenbosch University, Cape Town, South Africa)

Symposium 12.2, **Jörgen Lehmivaara** — *A Body-Oriented Intervention for Adults with reduced Felt Safety and Child Maltreatment History: Delivered in Linguistically Diverse Therapist–Participant Dyads* (Mid Sweden University, Östersund, Sweden)

Symposium 12.3, **Emelie Louise Miller** — *Public Perception of Gender Differences in Sexual Victimization* (Kurume University School of Medicine, Kurume, Japan)

Symposium 12.4, **Rachel Langevin** — *Intergenerational continuity of family violence in non-Western contexts: A systematic scoping review* (McGill University, Montréal, Canada)

Symposium 12 disc, **Cherie Armour** — *Discussant* (Queen's University Belfast, Belfast, Northern Ireland)

Symposium 14, Rachel Williamson — Climate Change in Clinical Practice: Competencies, Assessment, and Treatment (University of Montana, Missoula, USA)

Symposium 14.1, **Ethan Sten** — *Mental health provider encounters with climate change- and wildfire-related concerns in the Pacific Northwest Region* (University of Montana, Missoula, USA)

Symposium 14.2, **Brit King** — *Preliminary Psychometric Evaluation of a Novel Measure of Climate Change Exposure and Psychological Response* (University of Montana, Missoula, USA)

Symposium 14.3, **Olathe Bigknife Antonio** — *Addressing Climate Change Distress in an Indigenous Population: The Development of a Traditional Ecological Knowledge-Based Intervention* (University of Montana, Missoula, Montana, USA)

Symposium 17, Youngsuk Kim — Cultural Adaptation of Trauma Interventions Across Contexts (Massachusetts General Brigham/Harvard Medical School, Boston, USA)

Symposium 17.1, **David Rozek** — *Adapting Training and Consultation for Evidence-Based PTSD Treatments Across Cultures and Crisis Settings* (University of Texas Health Science Center at San Antonio, San Antonio, USA)

Symposium 17.2, **Subin Park** — *RCT of a Korean-adapted version of PoED, including chatbot-assisted components* (Korea University, Seoul, South Korea)

Symposium 17.3, **Surin Cho** — *Culturally Adapted Group Emotion Schema Therapy for Traumatic Stress in North Korean Defectors* (Department of Clinical and Counseling Psychology, Graduate School, Korea University, Seoul, South Korea)

Symposium 17.4, **Jenna Sung** — *Digital Single Session Innovations for Trauma-Impacted Populations: Engaging stakeholders and Experts by Experience* (Boston University, Boston, USA)

23 April

Symposium 4, Hanna Dimbodius, Lic Psychologist — **From Evidence to Global Action: Lessons for Implementing Prolonged Exposure Therapy for PTSD (PE) (KriTra Kris- och traumapsykologi AB, Göteborg, Sweden)**

Symposium 4.1, **Duane D. Booyesen** — *From Evidence to Global Action: Lessons for Implementing Prolonged Exposure Therapy for PTSD* (Rhodes University, Makhanda, South Africa)

Symposium 4.2, **Sheila A. M. Rauch** — *Increasing Access to Processing Emotions aka Prolonged Exposure (PE): Adapting Training for Japanese Providers and Simplifying for Brief Therapy* (Emory University SOM/ Joseph Maxwell Cleland Atlanta VAHCS, Atlanta, USA)

Symposium 4.3, **Hanna Dimbodius** — *Teaching the Principles: Training and Supervision as Pathways for Implementing Prolonged Exposure Across Contexts* (KriTra Kris- och traumapsykologi, Göteborg, Sweden)

Symposium 5, Jana D. Javakhishvili — **Mental Health and Psychosocial Support in Situations of Ongoing Threat (Ilia State University, Tbilisi, Georgia)**

Symposium 5.1, **Stéfanie Fréel** — *Mental Health and Psychosocial Support Interventions for Populations Affected by Ongoing Armed Conflict: a Scoping Review* (Amsterdam University Medical Center, Amsterdam, The Netherlands)

Symposium 5.2, **Vanessa (See Heng) Yim** — *Psychosocial interventions in ongoing threat: A Review and a Practitioner Survey* (University of Hong Kong, Hong Kong, China)

Symposium 5.3, **Jana D. Javakhishvili** — *Global Collaboration on Traumatic Stress Position Paper on Mental Health and Psychosocial Support During Ongoing Armed Conflict* (Ilia State University, Tbilisi, Georgia)

Symposium 5.4, **Josef I. Ruzek** — *Supporting Populations Exposed to Ongoing Threat in Time of War: Key Issues for Consideration* (Stanford University/Lyda Hill Institute on

Human Resilience at University of Colorado, Colorado Springs/Palo Alto University, Sausalito, USA)

Symposium 6, Jeong-Ho Seok — From Recipient to Contributor: International Collaboration in Trauma Management (Yonsei University College of Medicine, Seoul, South Korea)

Symposium 6.1, **In Hee Cho** — *From Tragedy to Capacity: Trauma Knowledge Developed After the Sewol Ferry Disaster* (WIM Psychiatric Clinic, Bundang, South Korea)

Symposium 6.2, **Hanik Yoo** — *Sharing Trauma Care Across Borders: Sharing Korean Experience to Pakistan* (Seoul Brain Research Institute, Seoul, South Korea)

Symposium 6.3, **Abeeha Shaloom** — *National Adaptation and Growth: Pakistan's Evolving Trauma Care System* (Campus Counselor at Kinnaird College for Women, Lahore, Pakistan)

Symposium 6 disc 1, **Amjad Tufail** — *Future Challenges for International Collaboration between PSTSS and other societies* (Chairman of Pakistan Society for Traumatic Stress Studies, Professor of Psychology, MAO College Lahore, Lahore, Pakistan)

Symposium 6 disc 2, **Jinhee Hyun** — *Future Challenges for International Collaboration in Trauma Management* (Department of Social Work, Daegu University, Daegu, South Korea)

Symposium 6 disc 3, **Keung Chul Jeong** — *Future Challenges for International Collaboration in Trauma Management* (Executive Director of Technical Services Association/Forman Christian College University, Lahore, Pakistan)

Symposium 7, Joan M. Cook — Dissemination and Implementation of Evidence-Based Psychotherapies for PTSD in Adults: Global Implications (Yale University, New Haven, Connecticut, USA)

Symposium 7.1, **Joan M. Cook** — *Dissemination and Implementation of Written Exposure Therapy in Six Large Healthcare Systems in the U.S.* (Yale University, New Haven, Connecticut, USA)

Symposium 7.2, **Josef I. Ruzek** — *Dissemination and Implementation of Prolonged Exposure Therapy in the U.S. Department of Veterans Affairs* (Stanford University/Lyda Hill Institute on Human Resilience at University of Colorado, Colorado Springs/Palo Alto University, Sausalito, USA)

Symposium 7.3, **Duane D. Booyesen** — *Feasibility and Acceptability of Implementing PE for PTSD across five African countries: preliminary results* (Rhodes University, Makhanda, South Africa)

Symposium 7.4, **Josef I. Ruzek** — *Thinking about Dissemination of Evidence-Based PTSD Treatments in Low- and Middle-Income Countries* (Stanford University/Lyda Hill Institute on Human Resilience at University of Colorado, Colorado Springs/Palo Alto University, Sausalito, USA)

Symposium 11, Michel Dückers — Disasters in the Global Collaboration on Traumatic Stress: Addressing a Thematic Gap (University of Groningen / ARQ National Psychotrauma Centre, Groningen / Diemen, The Netherlands)

Symposium 11.1, **Michel Dückers** — *Short- and Long-Term Mental Health Impacts of Disasters: Evidence from Systematic Reviews and Meta-Analyses* (University of Groningen / ARQ National Psychotrauma Centre, Groningen / Diemen, The Netherlands)

Symposium 11.2, **Lise Eilin Stene** — *Strengthening Post-Disaster Mental Health and Psychosocial Support (MHPSS): International Experiences, Challenges, and Research Needs* (Norwegian Centre for Violence and Traumatic Stress Studies, NKVTS, Oslo, Norway)

Symposium 13, Rachel Langevin — Gendered Pathways of Trauma and Recovery: Challenges, Cross Cultural Evidence, & Clinical Implications (McGill University, Montréal, Canada)

Symposium 13.1, **Rachel Langevin** — *Gender and Minority Status in Mental Health Outcomes of Child Maltreatment in a Large Sample of Canadian Adults* (McGill University, Montréal, Canada)

Symposium 13.2, **Jessica Lambert** — *Gendered Patterns of Psychological Distress Following Mental Health Intervention Among Congolese Refugees: A Mixed-Methods Follow-Up Study* (DIGNITY, Copenhagen, Denmark)

Symposium 13.3, **Anselm Crombach** — *Gender Effects of Forensic Offender Rehabilitation Narrative Exposure Therapy Regarding Trauma and Aggression: A Clinical Trial in Burundi* (Saarland University, Saarbrücken, Germany)

Symposium 15, Rahel Bachem — Trauma, Parenting, and Family Well-Being in Global Contexts (Eastern Switzerland University of Applied Science, St. Gallen, Switzerland)

Symposium 15.1, **Misari Oe** — *Child Maltreatment through Cross Cultural Lens: How do child maltreatment, its social acceptability, and CPTSD differ across the globe?* (Kurume University, Kurume, Japan)

Symposium 15.2, **Joelle Schenkel** — *Parenting with complex PTSD: Effects of DSO-related symptoms on everyday family life* (Competence Center Mental Health, Eastern Switzerland University of Applied Science, St. Gallen, Switzerland, St. Gallen, Switzerland)

Symposium 15.3, **Rahel Bachem** — *Complex PTSD and Parenting Across Sociocultural Contexts — A Network Analysis* (Eastern Switzerland University of Applied Sciences, St. Gallen, Switzerland)

Symposium 15.4, **Zoe Thomas** — *Parenting for Complex Trauma Survivors: A Group Therapy Intervention* (McGill University, Jewish General Hospital, Tio'tia:ke/Montréal, Canada)

Symposium 18, Youngsuk Kim — Comparative Patterns of Trauma Exposure Across Populations and Contexts (Massachusetts General Brigham/Harvard Medical School, Boston, USA)

Symposium 18.1, **Youngsuk Kim** — *Childhood Traumatic Events and Adult Outcomes in Great Britain* (Massachusetts General Brigham/Harvard Medical School, Boston, USA)

Symposium 18.2, **Edward C. Wright** — *Prevalence of different traumatic event types and their relative impact on index trauma selection, PTSD severity, and treatment outcomes* (University of Cincinnati College of Medicine, Cincinnati, USA)

Symposium 18.3, **P Jason Rentfrow** — *Geographical Variation in Childhood Trauma Prevalence* (University of Cambridge & Korea University, Cambridge, United Kingdom)

24 April

Symposium 3, Elisa van Ee — A global perspective on sexual violence related pregnancies (Radboud University & Psychotraumacentrum Zuid Nederland, Nijmegen, Netherlands)

Symposium 3.1, **Elisa van Ee** — *Global SVRP Project: Advancing Support for Women Affected by Sexual Violence-Related Pregnancies* (Radboud University & Psychotraumacentrum Zuid Nederland, Nijmegen, The Netherlands)

Symposium 3.2, **Shenaaz Pahad** — *Tracing Trauma and Recovery: Longitudinal Insights into Sexual Violence-Related Pregnancy among South African Adolescents and Young Women* (University of Witwatersrand and London School of Hygiene and Tropical Medicine, Johannesburg, South Africa)

Symposium 3.3, **Selina Hardt** — *"My Body My Choice": Lived Experiences of Reproductive Coercion and Related Pregnancies* (University of Montana, Missoula, USA)

Symposium 3.4, **Elisa van Ee** — *Silent Trauma: Understanding Sexual Violence-Related Pregnancies and Women's Wellbeing* (Radboud University & Psychotraumacentrum Zuid-Nederland, Nijmegen, The Netherlands)

Symposium 8, Jude Mary Cénat — Is Complex Racial Trauma a Trauma? An Evidence-Based Examination of Mental Health Outcomes in BIPOC Populations (School of Psychology, University of Ottawa, Ottawa, Canada)

Symposium 8.1, **Jude Mary Cénat** — *Providing antiracist cognitive-behavioral therapy: Guidelines, tools, and tips* (University of Ottawa, Ottawa, Canada)

Symposium 8.2, **Rose Darly Dalexis** — *Workplace Racial Discrimination Related-Trauma, Mitigation Actions, and Blood Pressure Responsivity Among Black Workers in Canada* (University of Ottawa Heart Institute, Ottawa, Canada)

Symposium 8.3, **Seyed Mohammad Mahdi Moshirian Farahi** — *Stress grounded in experiences of racial discrimination* (University of Ottawa, Ottawa, Canada)

Symposium 8.4, **Wina Paul Darius** — *Prevalence and determinants of current post-traumatic stress disorder symptoms in Canada: Racial disparities and emerging challenges* (University of Ottawa, Ottawa, Canada)

Symposium 9, Kathy Trang — Context Matters: Sociocultural and Biological Mechanisms Shaping Mental Health Outcome in the Aftermath of Trauma (Harvard Medical School/Massachusetts General Hospital, Boston, MA, USA)

Symposium 9.1, **Manasi Sharma** — *A qualitative study of post-traumatic risk and resilience trajectories among a conflict-affected sample in Liberia* (RAHAT Charitable and Medical Research Trust, Harvard TH Chan School of Public Health, New Delhi, India)

Symposium 9.2, **Khanh Ha Phan** — *Associations between sexual violence exposure, perpetrator identity, mental health outcomes, and help-seeking behaviors among youth across 15 countries* (Department of Epidemiology, Harvard T.H. Chan School of Public Health, Boston, USA)

Symposium 9.3, **Kathy Trang** — *A Network Comparison of Trauma and Mental Health Outcomes among Male and Female Youths in Sixteen Countries* (Harvard Medical School/Massachusetts General Hospital, Boston, MA, USA)

Symposium 9.4, **Peejay D. Bengwasan** — *The Moderating Role of Personality Traits in the Relationship Between Posttraumatic Stress and Intelligence Among Abused Adolescents in the Northern Philippines* (De La Salle University, Manila, Philippines)

Symposium 16, Stéfanie Fréel — Breaking the Cycle: Trauma, Violence, and Implications for Wellbeing (Amsterdam University Medical Center, Amsterdam, The Netherlands)

Symposium 16.1, **Fiona S. McEwen** — *Pathways from trauma to support for political violence in conflict-affected populations* (King's College London, London, United Kingdom)

Symposium 16.2, **Stéfanie Fréel** — *Predicting pathways to violent extremist attitudes and readiness to reconcile: a complex interplay of psycho-social drivers* (Amsterdam University Medical Center, Amsterdam, The Netherlands)

Symposium 16.3, **Jessica E. Lambert** — *Social Relationships and Long-Term Recovery among Trauma-Affected Congolese Refugees in Uganda* (Danish Institute Against Torture (DIGNITY), Copenhagen, Denmark)

Symposium 16.4, **Kate Ellis** — *The Psychological Consequences of paramilitaries laying down arms in Colombia* (American University in Cairo, Cairo, Egypt)

Symposium 16.5, **Jana D. Javakhishvili** — *Collective Trauma: From Unprocessed Experience to Psychopolitical Outcomes* (Ilia State University, Tbilisi, Georgia)

KSTSS Symposium 1, Jeong-Ho Chae & Kyung-hwa Kang — Disaster Mental Health Management Using Digital Technologies (Seoul St. Mary's Hospital & Cheong-woon University, South Korea)

Symposium K1.1, **Seung-hoon Oh** — *AI-based Platforms for Psychological Recovery Support in Disasters* (Electronics and Telecommunications Research Institute, South Korea)

Symposium K1.2, **Jeong-ho Seok** — *Biomarker Analysis and Digital Interventions for Disaster Mental Health Management and Burnout Prevention* (Yonsei University Gangnam Severance Hospital, South Korea)

Symposium K1.3, **Nabin Lee** — *Ethical Issues in Remote Disaster Mental Health Support* (Korean Trauma Education Institute, South Korea)

KSTSS Symposium 2, Jin-Hee Hyun & Jong-Woo Paik — The Role of Mental Health Professionals in Trauma Care Related to International Conflicts (Daegu University & Kyung Hee University)

Symposium K2.1, **Ha-Kyung Kim** — *Mental Health of Refugees and the Role of Mental Health Professionals* (Present Psychiatry Clinic, South Korea)

Symposium K2.2, **Cha-sun Shin** — *Experience of Psychosocial Support for Rohingya Refugees* (Seoul University of Buddhism Graduate School, South Korea)

Symposium K2.3, **Ji-Sun Kang** — *International Comparison of Mental Health Care for Deployed Soldiers and Challenges for Korea* (Guri Armed Forces Hospital, South Korea)

Symposium K2.4, **Mrs. Abeeha** — *Local Adaptation and Growth: Pakistan's Evolving Trauma Care System* (Secretary General of PSTSS, Pakistan)

KSTSS Symposium 3, Jung-yi Bae & Hwa-young Lee — Social Impact of Collective Trauma and the Role of Mental Health Professionals (Inje University & Soonchunhyang University, South Korea)

Symposium K3.1, **Dong-hoon Lee** — *Healing Collective Trauma from a Social Perspective* (Sungkyunkwan University, South Korea)

Symposium K3.2, **Hyun-Soo Kim** — *Social Impact of the Sewol Ferry Disaster and the Role of Mental Health Professionals* (Myeong-ji Hospital, South Korea)

Symposium K3.3, **Chan-Young Jung** — *The Role of Mental Health Professionals in Treatment and Recovery of Victims of State Violence* (Dongmyeong Hospital)

Oral presentations

22 April

Oral 1, **Anna Bjärtå** — *Chair* (Department of Psychology and Social work, Mid Sweden University, Östersund, Sweden)

Oral 1.1, **Anna Bjärtå** — *Cognitive load during memory Reconsolidation (CoRe) – A Brief and Scalable Approach to Reducing Symptoms of Posttraumatic Stress* (Department of Psychology and Social work, Mid Sweden University, Östersund, Sweden)

Oral 1.2, **Antonio C. Sison** — *Case Studies of the use of Trauma Therapy (EMDR) in the Psychological Improvement in Patients with Chronic Skin Conditions* (Skin and Cancer Foundation Incorporated, Manila, Philippines)

Oral 1.3, **Ateka Contractor** — *Comparison of the Processing of Positive Memories Technique and Supportive Counseling for Posttraumatic Stress Disorder: A Randomized Controlled Trial* (University of North Texas, Denton, USA)

Oral 1.4, **Kate Ellis** — *A cultural adaptation of the Islamic Trauma Healing Intervention for Trauma affected refugee's in Cairo* (American University in Cairo, Cairo, Egypt)

Oral 2, **Andy Cullen** — *Chair* (PTSD Resurrected Inc. (CEO & Co-Founder); Former Major, Australian Army, Gold Coast, Australia)

Oral 2.1, **Andy Cullen** — *Trauma, Moral Injury, and the Search for Meaning: A Veteran and Spouse Perspective on Recovery* (PTSD Resurrected Inc. (CEO & Co-Founder); Former Major, Australian Army, Gold Coast, Australia)

Oral 2.2, **Manasi Sharma** — *Many faces of Trauma and Recovery around the World (MaTRiX project): Overview of the pilot study* (RAHAT Charitable and Medical Research Trust, Harvard TH Chan School of Public Health, New Delhi, India)

Oral 2.3, **Darya Rostam Ahmed** — *Beyond Direct Exposure: Systemic Trauma and Mental Health and Cognitive Impairments in First-Degree Relatives of Anfal and Halabja Attempted Genocide Victims* (Koya university, Erbil, Iraq)

Oral 2.4, **Wioletta Rebecka** — *Embodied Memory and Conflict Prevention: Developing the Theory of War Rape Survivors Syndrome (WRSS)* (Rape a history of shame project, NYC, USA)

23 April

Oral 3, **Eunhye Kim** — *Chair* (Korea University, Seoul, South Korea)

Oral 3.1, **Eunhye Kim** — *From childhood trauma to complex PTSD: a network analysis* (Korea University, Seoul, South Korea)

Oral 3.2, **Mohsen Rajabi** — *Foundations of parental responses to child trauma in refugee families: the role of post-resettlement context in low-resource settings* (Department of Psychology, University of Bath, Bath, United Kingdom)

Oral 3.3, **Sarah Bakirci** — *Timing effects in the association between childhood and adolescent bullying victimisation with late adolescence and emerging adulthood depressive symptoms* (University College London, London, United Kingdom)

Oral 3.4, **Ko Ling Edward CHAN** — *Responses to Family Polyvictimization: Comparing Social Policies and Service Delivery in East Asia Societies* (The Hong Kong Polytechnic University, Hong Kong, China)

Flashtalks

22 April

Flashtalk 1, **Huy Hoang Le** — *Chair* (University of Zurich, Zurich, Switzerland)

Flashtalk 1.1, **Huy Hoang Le** — *Network analysis of grief reactions in a Vietnamese sample* (University of Zurich, Zurich, Switzerland)

Flashtalk 1.2, **Kirsten Rowlinson** — *A systematic review and meta-analysis of 20 years of research on sex differences in trauma and posttraumatic stress disorder* (The Matilda Centre for Research in Mental Health and Substance Use, The University of Sydney, Sydney, Australia)

Flashtalk 1.3, **Hung Nguyen** — *Network dynamics of prolonged grief reactions and momentary contextual enjoyment among bereaved adults in Vietnam: An experience sampling study* (University of Zurich, Zurich, Switzerland)

Flashtalk 1.4, **Jelena Brasanac** — *Immune and Metabolic Features of PTSD: Integrating Biological Mechanisms With Symptom Domains* (Charité – Universitätsmedizin Berlin, Berlin, Germany)

Flashtalk 1.5, **Rebecca S. Hock** — *Making Invisible Pathways Visible: Internalizing Social Information Processing in Intergenerational Trauma* (Duke Kunshan University, Kunshan, China)

Flashtalk 1.6, **Marianne Girard** — *When Violence Accumulates: A Latent Class Analysis on Sexual and Domestic Victimization Co-Occurrence and Self-Capacities Outcomes Among Women Seeking Sex Therapy* (Université de Montréal, Montréal, Canada)

23 April

Flashtalk 2, **Indira Primasari** — *Chair* (Department of Psychiatry, Amsterdam UMC, University of Amsterdam; Faculty of Psychology, Universitas Indonesia, Amsterdam & Jakarta, The Netherlands & Indonesia)

Flashtalk 2.1, **Indira Primasari** — *Evaluating a Web-Based Psychoeducational Program for Trauma-Related Symptoms Among Indonesian Undergraduates: A Pilot Randomized Controlled Trial* (Department of Psychiatry, Amsterdam UMC, University of Amsterdam; Faculty of Psychology, Universitas Indonesia, Amsterdam & Jakarta, The Netherlands & Indonesia)

Flashtalk 2.2, **Kristina J. Korte** — *Adaptation of a Mobile Based Treatment for PTSD, STAIR Coach, for use in Low Resource Settings* (Massachusetts General Hospital, Harvard Medical School, Boston, USA)

Flashtalk 2.3, **Mia Huolman** — *Teaching Recovery Techniques (TRT) for Unaccompanied Refugee Youth in Finland: Usability and Mental Health Outcomes* (University of Turku, Finland, Turku / Urjala, Finland)

Flashtalk 2.4, **Jessica E. Lambert** — *What Sustains Well-Being After Mental Health Treatment? Examining Protective Factors Among Trauma-Affected Syrian and Lebanese Youth* (DIGNITY, Copenhagen, Denmark)

Flashtalk 2.5, **Shannon Kehle-Forbes** — *Integrating Feasible Implementation Science Methods Into Global Studies of Evidence-Based Interventions* (University of Minnesota, Minneapolis, USA)

Flashtalk 2.6, **John Ismael J. Medina** — *Secondary Traumatic Stress Nature and Interventions for Paraprofessionals: A Systematic Review* (University of Santo Tomas, Manila, Philippines)

24 April

Flashtalk 3, **Manasi Sharma** — *Chair* (RAHAT Charitable and Medical Research Trust, Harvard TH Chan School of Public Health, New Delhi, India)

Flashtalk 3.1, **Ling Jin** — *The impact of racist events on post-trauma mental health symptoms among immigrants and refugees in Canada: The role of racial trauma* (University of Calgary, Calgary, Canada)

Flashtalk 3.2, **Lynn Murphy Michalopoulos** — *Climate Change and Mental Health Outcomes among Labor Migrants in Zambia: A Qualitative Study* (University of Maryland School of Social Work, Baltimore, USA)

Flashtalk 3.3, **Manasi Sharma** — *Youth for Emotional and Social Support (YESS): Results from the pilot feasibility study of a mental health peer support intervention among University Students in India* (RAHAT Charitable and Medical Research Trust, Harvard TH Chan School of Public Health, New Delhi, India)

Flashtalk 3.4, **Shivangi Talwar** — *Professionals' perspectives of experiences of and treatments in South Asia and the UK for South Asian adult survivors of childhood sexual abuse* (Kingston University, London, United Kingdom)

Flashtalk 3.5, **Keneilwe Molebatsi** — *“Trauma is more than a threat to life”: Expanding diagnostic frameworks through culturally informed conceptualizations of trauma in Botswana’s severe mental illness population* (University of Botswana, Gaborone, Botswana)

Flashtalk 3.6, **Rachita Sharma** — *A Global Overview of Trauma Among Individuals with Disabilities* (University of North Texas, Dallas, USA)

Flashtalk 3.7, **Fardous Hosseiny** — *“Not a safe place”: A qualitative study of Intimate Partner Violence (IPV) experiences in Canadian veterans, partners, and ex-partners.* (Atlas Institute for Veterans and Families, Ottawa, Canada)

Flashtalk 3.8, **Alaa Shihadeh** — *Voices from the Field: A Mixed-Methods Exploration of PTSD, Complex-PTSD, and Moral Injury, Among Mass Graves Workers in Libya* (Australian National University ANU, Canberra, Australia)

Posters

22 April

Poster 1, **Afreen Waseem** — *Emotional Abuse and its Psychological Effects among Indian Adolescents in relation to Self-Concept and Resilience* (GITAM University, Hyderabad, India)

Poster 1, **Allen Olson-Urtecho** — *Rubi AI VR EMDR Therapy: A Scalable, Offline Solution for Complex PTSD in Low-Resource Settings* (Studio Bahia, San Antonio, USA)

Poster 1, **Andrés Fresno** — *Case report: Trauma-focused cognitive behavioral therapy for complex presentations applied to a patient with complex PTSD in the public health context in Chile* (Universidad de Talca, Talca, Chile)

Poster 1, **Aradhya Sharma** — *Regaining Self and Reality: The RESTORE Framework for Treating Non-Physical Trauma Associated with Gaslighting in All Cultures* (IILM University, Gurugram, India)

Poster 1, **Chak Hei Ocean Huang** — *Complex PTSD among Malaysian young adults: Prevalence, reliability, and clinical correlates* (Department of Social Work and Social Administration, The University of Hong Kong, Hong Kong, China)

Poster 1, **Cristiana Querido Silva Santos** — *Intimate Partner Sexual Violence and Cumulative Harm: A Systematic Review of Literature* (School of Psychology, University of Minho, Braga, Portugal)

Poster 1, **Darya Rostam Ahmed** — *Validation of ISIS Syndrome: A Novel Psychosocial Condition Among Subjects with ISIS Affiliation* (Koya university, Erbil, Iraq)

Poster 1, **Darya Rostam Ahmed** — *The Cognitive and Psychological Impact of Collective Existential Annihilation Anxiety Associated Events. The Case of Halabja Chemical Attack* (Koya university, Erbil, Iraq)

Poster 1, **Emily Gillings** — *Digital Phenotyping for Predicting Post-Traumatic Stress Disorder in Trauma-Exposed Individuals* (King's College London, London, United Kingdom)
